BCWSA Wheelchair Athletics Provincial Team Consideration Standards

*Designed in alignment with Athletics Canada's Canadian Athletics Performance Pathway (CAPP)
Para Consideration Standards*

You will find four charts below – 1 Wheelchair Racing (Men), 2 Wheelchair Racing (Women), 3 Seated Throws (Men), and 4 Seated Throws (Women). Each discipline chart includes four performance columns:

- **“Avg. Top 8”** identifies the averaged result of the top 8 athletes in the world from the Paralympic Games and World Championships (2016-2019).
- Under the **“CAPP Identification”** columns are results based on 65% and 60% of the “Average Top 8”. By achieving results in the 60%/65% columns, you will be on a closer path to being identified by Athletics Canada as a potential CAPP Athlete.
- The last column, **“BCWSA”**, designates standards to be achieved by prospective BCWSA Wheelchair Athletics Provincial Team Athletes.

It is important to note that these Consideration Standards are based on events for classification groups included in the next upcoming Summer Paralympic Games Cycle. This means that not everyone's classification or event will be listed on the consideration standards document. In this case, Provincial Team Coaches and Program Coordinator will assess an athlete's results on an individual basis while also referring to the subjective criteria.

Please see following pages for all four charts.
